Botswana

Situated in the southern reaches of Africa, Botswana is renowned for its pristine wilderness areas characterised by deep lagoons, wetlands, lush palms, rugged hills and desert plains. The country's primary tourist drawcard is undoubtedly the vast red expanse of the Kalahari Desert and its remarkably beautiful Okavango Delta, the largest inland delta in the world. These natural wonders provide a tranquil haven for an abundance of African wildlife to thrive. Other highlights include the impressive Makgadikgadi Salt Pans, where visitors are privy to massive zebra migrations during the flood season; the Savuti plains, which host a significant pride of lions; and the Tsodilo Hills, where 4500 rock paintings form a unique record of human settlement over many millennia.

Moremi Game Reserve

Situated in the east of the Okavango Delta, Moremi Game Reserve ranks as one of the most beautiful reserves in Africa. It covers more than 4871 square kilometres of pristine wilderness, and this varied terrain includes savannah, winding waterways, and dense forest. The diverse ecosystem supports an incredibly wide spectrum of wildlife, ranging from large herds of buffalo, wildebeest and zebra, to the rare sitatunga and lechwe antelope, lion, cheetah and packs of wild dog in the open grasslands. The birdlife is prolific and includes most of the 550 bird species recorded on Botswana's national bird list. A range of luxury lodges in the reserve offers visitors the perfect base to experience this corner of paradise.
